

# TRAINING COURSE FOR EMERGENCY FIRST AID INSTRUCTORS

## TARGET PUBLIC

- Health professionals practicing in emergency medical facilities (SAMU, SMUR, emergency facility, ICU or anaesthesia-resuscitation unit) for at least a year
- Trainers in healthcare training institutes (experience -10 years in an emergency, intensive care or anaesthesia-resuscitation unit)

## GENERAL AND EDUCATIONAL OBJECTIVES

At the end of the course, participants will be able to organise level 1 and 2 emergency first-aid courses for healthcare students, and nursing, administrative and technical staff at healthcare facilities and private practices, and assess learners for delivery of certificates.

### 1. Mastering the content of AFGSU 1 and AFGSU 2 courses

Mastering the content of training sequences, updated scientific proofs, regulations, First Aid Training Centres' (CESUs) guiding principles

### 2. Mastering the pedagogical techniques required to deliver such training

Educational trends, learning-by-doing methods and techniques, principles of learning by doing, learning cycle, feedback and debriefing, stages of a sequence

### 3. Acquiring a trainer's approach

Cognitive psychology, principles of andragogy, group dynamics, conflict management, motivational dynamics, principles of communication, storyboards, educational organisation, etc.

## 4. Knowing the principles of assessment and mastering its methods

- Analysis of cases reported by trainees and development of teaching aids
- Major principles of assessment

## ORGANISATION

The course breaks down as follows:

- **1 day prior to training:** revision of EFA technical procedures
- **TU 1.1:** 5-day seminar (3 days-2 days): pedagogy applied to emergency first aid
- **TU 1.2:** 3-day seminar (2 days-1 day): analysis of practices, docimology: assessment applied to emergency first aid.
- **TU 1.3:** 2-day seminar: pedagogy applied to the teaching of the collective risk module.

Between sessions: tutoring of two level-2 sessions (2x3 days)

## GROUP SIZE

- 12-14 learners
- 3 facilitators

## COST

- "Revision of ESA technical procedures" day (free bonus)
- TU 1.1: €800 incl. tax
- TU 1.2: €480 incl. tax
- TU 1.3: €200 incl. tax
